

Coalition Effectiveness: How are we doing?

	Strongly Agree	Agree	Disagree	Strongly Disagree	Unsure
1. There is community and political support for the work of our coalition.					
2. The coalition membership reflects diverse sectors of our community.					
3. The process for making decisions is clear and inclusive.					
4. There is strong leadership for our coalition.					
5. There is frequent and regular communication with the broader community.					
6. The vision and goals of our coalition are clear and commonly understood.					
7. We have sufficient resources to achieve our goals.					
8. We celebrate our successes.					

What steps could we take in the next 6 months to improve the effectiveness of our coalition?

A.

B.

C.

Gretchen Griffin, April 2000
