Special training of facilitators for
***Strengthening Families Program:
For Parents and Youth 10-14***

June 14-15, 2006 Holiday Inn Rothschild-Wausau

This 2-day workshop offers instruction on implementing the *Strengthening Families Program: For Parents and Youth 10-14*, delivered within parent, youth and, family sessions. Family sessions are highly interactive and include role-playing, discussion, learning games, and family projects designed to improve parenting skills, build life skills in youth and strengthen family bonds.

The \$175 fee includes the full 2-day training, the basic program training manual (retail cost \$175) and lunch on both days.

This is an incredible professional development opportunity - the manual and the training for the cost of the manual alone. Attendance is limited to the first 30 registrants.

This session is presented by the Wisconsin Clearinghouse for Prevention Resources, University Health Services, University of Wisconsin-Madison and the UW-Extension. Additional support is provided by the Wisconsin Department of Health & Family Services, Division of Children & Family Services and the University of Wisconsin Extension Family Living Program.

Register as soon as possible to guarantee your place.
